

# SCHOLARSHIP OPPORTUNITY

## Franklin County Sheriff's Office Community members announce a new scholarship to support foundations for criminal justice-focused careers.

In April, 2025, all graduating seniors of any public high school in Franklin County will be able to apply for a newly established \$1,000.00 post-secondary scholarship established by the Franklin County Sheriff's Office.\* The winner of the scholarship will be chosen by the FCSO Community Scholarship Committee. Strong preference for the scholarship will be given to individuals who will be pursuing a post-secondary career in criminal justice.

In addition to tuition, books, and fees for college or university, the award can be used for uniforms, supplies, and academy fees for those who might be applying to a law enforcement academy or other related training out of high school.

The application for the scholarship can be found on the FCSO website and will be due April 30, 2025. A winner will be announced in May 2025 and the scholarship presented at a meeting with Sheriff Streeter. Good luck to all applicants.

\* The FCSO Community Scholarship Committee makes no representation as to the taxability of any amounts awarded through this program.
